What a year 2009 is proving to be! We have all experienced the challenges of the rising costs of oil, the unemployment, and the financial crisis our country is experiencing. Despite all these challenges, we still have faith that our country will surmount these obstacles and we will see the financial strength return.

We would like to do our part in helping our patients through this difficult time. Therefore, we have decided to offer the following coupon for all patients who want to initiate their orthodontic treatment from now until the end of August 2009. Please bring this coupon with you to your appointment to take advantage of this special savings.

We wish you all a wonderful summer!
